

UK Collaborative Plan for Pro Bono

The UK Collaborative Plan for Pro Bono is a profession-led initiative. Each of the firms has a strong institutional commitment to pro bono and access to justice. Participating firms collaborate with each other in order to improve access to justice through pro bono in the UK and work collectively to develop systems and infrastructure to allow pro bono services to be effectively delivered to address unmet legal need.

This incorporates an aspirational target of 25 pro bono hours on average per fee earner in the UK each year. The statistics below relate to a survey of the pro bono work undertaken in the calendar year 2019 by 45 member firms.
