

The UK Collaborative Plan for Pro Bono (the Plan) is a profession-led initiative. Each of the participating firms has a strong institutional commitment to pro bono and access to justice. Participating firms collaborate with each other in order to improve access to justice through pro bono in the UK and work collectively to develop systems and infrastructure to allow pro bono services to be effectively delivered to address unmet legal need.

The Plan also incorporates an aspirational target of 25 pro bono hours on average per lawyer in the UK each year. The statistics below relate to a survey of pro bono work undertaken in 2020 completed by 45 of the Plan's member firms.
